

HOW TO BUY E-BOOKS ON OUR WEBSITE

- E-books are called “Jumpbooks” on the Illini Union Bookstore’s Website.
- There is no separate section for e-books, just select your textbooks online as normal, and if an e-book is available, it will be listed along with your other books, and you can select your e-book as an option.
- ALL e-books, “Jumpbooks” are OPTIONAL purchases!
- After your ordering process is complete, you will receive an email with an access code, your receipt #, and directions to the Jumpbooks website (www.jumpbooks.com/illini).
- Put in your receipt # and access code and you can now access your Jumpbook (e-book) for 180 days!!
