

# How to Purchase RedShelf eBooks and ePackets on the IUB Website

- eBooks and ePackets are available from RedShelf on the Illini Union Bookstore's website.
- There is no separate section for eBooks or ePackets – just select your textbooks online as usual, and if an eBook or ePacket is available as an option, it will be listed along with your other textbooks.
- After your ordering process is complete, you will receive an email from RedShelf with information about how to access your eBook or ePacket. This should be a fairly quick process, but sometimes the email can get stuck in a junk or spam folder, so be sure to check this if you do not receive information in a timely way.
